Of our consideration:

According to the provisions of Article 9° and Subparagraph 2° of Article 10 of Law N° 18,045 and the General Standard N° 364 of that Superintendency, I hereby inform you as a Relevant Information for Ruta de la Araucanía Sociedad Concesionaria S.A. (the "Company"), in relation to the business developed by it, that on June 11, 2018, it was published the D.S. MOP N° 9 in the Official Journal dated January 26, 2018, which due to reasons of public interest, modifies the characteristics of the works and services indicated in the Concession Agreement of the Fiscal Public Work called "Concesión Internacional Ruta 5, Tramo Collipulli - Temuco" [International Concession Ruta 5, Collipulli - Temuco Tranche] (the "Concession"); and approves the Ad Referendum Agreement N° 5, for the preparation of the engineering and the subsequent execution of works related to the Safety Regulations Works in such Concession and its further maintenance and conservation.

The works to be executed are mainly related to a set of investments which will allow to provide a service and safety level for users in accordance with the development and growth of the Concession during its duration, such as bus stops, additional walkways, uneven structures, service streets, signage, lighting and the necessary sanitation works for the sectors to be intervened, which are all described in detail at the Supreme Decree.

Finally, we inform that these engineering works and the respective works will be carried out in deadlines, phases and other conditions defined in the Supreme Decree and they require investments and disbursements for a total maximum value of DU 1,887,461, VAT included.

Having nothing further to add, yours sincerely,

[Signed]
Francisco Javier Vargas Tonkin
Secretary of the Board
